Date

In response to the final Office Action dated May 30, 2002, Applicants request entry and consideration of the following amendments to the above-identified application.

IN THE CLAIMS

Please cancel claims 2, 7-15, and 22-38

Please amend claims 19 and 20 as follows

19. (Amended) An elevator door system as defined in claim 18, wherein the header bracket is disposed below the upper edge of the elevator car and generally above the door opening, the header bracket extending generally between first and second sides of the elevator car, and wherein the flat drive motor is mounted on the header bracket.

20. (Amended) An elevator door system as defined in claim 18, wherein the flat drive motor is disposed generally adjacent to a first side of the elevator car.
